1. **PRESENTATION OF CONSULTATION OUTCOMES FOR IFUTURE**

The development of iFuture (council's corporate plan for 2021-2026) commenced in August 2020 with two rounds of community engagement completed in 2020. The plan was drafted and during February 2020 consultation was open for the community and staff to provide their views on whether "we got the plan right" (our phase 3 community engagement).

To date the data has been received and analysed and will be presented for discussion. All decisions to alter the draft plan based upon the February round of consultation will be formally registered in a decision register. The plan is due to be presented for Council decision in April, for a commencement date of 1 July 2021.
