OFFICERS' REPORTS

2. **IPSWICH RESILIENT LEADERSHIP AND MENTORING PROGRAM**

This is a report concerning the Ipswich Resilient Leadership and Mentoring Program, a comprehensive program to help build the resilience of community centre leaders within the city. It is aimed to make our communities more resilient in the face of adverse events and disasters and further develop community leadership across the neighbourhood and community centres.

Often described as the heart of a community, neighbourhood and community centres play a significant role in providing friendly, localised access to individual, family and community services across Ipswich. During disasters, neighbourhood

and community centres provide a range of services to a wide cross-section of the impacted community.

The Ipswich Resilience Leadership and Mentoring Program will bring together up to 30 neighbourhood and community centre leaders across the region for a series of Masterclasses to become Resilience Mentors. During the masterclasses participants will design a Resilience Leadership Model to strengthen the collective adaptive capacity across the city to manage sudden change and disruption, create community connectedness and to flourish as a resilient region

The program provider, Healthy Practices Consulting, has been procured through council's procurement process. The total value of the contract with Healthy Practices Consulting is \$48,400.

3. IPSWICH YOUNG LEADERS ACADEMY

This is a report concerning the Ipswich Young Leaders Academy, which is a new program designed to inspire and empower young people to develop the skills to make a difference in their community, stand out in the workforce, and get a head start on their chosen pathway.

As of June 2020, there were over 30,000 young people between the age of 15-24 that live in Ipswich. With a youth unemployment rate of 15.3% within the SA4 region the Ipswich Young Leaders Academy has been designed to inspire and empower young people in the Ipswich local government area (LGA).

This free program open to all high school students will be offered in addition to the Ipswich Youth Advisory Council and will expose students to future opportunities to connect with council to continue to build a better community for all young people.

\$8,000 is allocated within the Community Development budget FY2021-2022 for delivery of the Young Leaders Academy program.
