APRIL 2022

DATE: 21 APRIL 2022

### **EXECUTIVE SUMMARY**

This is a report concerning the April 2022 report from the Retail Sub-Project Steering Committee on the status of the leasing program and associated developments with the retail component of the Nicholas Street Precinct redevelopment.

### **RECOMMENDATION/S**

**That the April 2022 Retail Sub-Project Steering Committee Report be received and the contents noted.**

### **RELATED PARTIES**

Ranbury Management Group - Program Management Partner  
Ranbury Property Services - Retail Leasing Agent

Councillor Fechner may have a potential conflict of interest in relation to this matter.

Councillor Madsen may have a potential conflict of interest in relation to this matter.

### **IFUTURE THEME**

Vibrant and Growing

### **PURPOSE OF REPORT/BACKGROUND**

The Retail Sub-Project Steering Committee (RSPSC) supports the Ipswich Central Redevelopment Committee (ICRC) in delivering the Nicholas Street Precinct redevelopment. The RSPSC reports monthly to the ICRC on the planning, development, delivery and operations of the Nicholas Street Precinct's retail and commercial assets.

The RSPSC did not meet in April with the next meeting of this committee scheduled for 10 May 2022.

The table below identifies the status of tenancy negotiations as of 22 April 2022. Since the previous report, one Agreement for Lease (AFL) have been signed and executed by the Lessee and is shortly to be considered by council. Furthermore, of the two Heads of Agreement's (HOA's) that were submitted to Council for approval in March 2022, one has been approved with legal documentation now being prepared. Approval of the second HOA

remains outstanding. Four tenancies are now being prepared for handover to the Lessee's fit-out contractors. Leasing demand remains strong however, it is anticipated that there may be some delays as Lessees undertake their fit-outs given pressure within the construction industry due to rising costs and labour shortages.

<b>Deal Status</b>	<b>April 2022</b>	<b>Change from March 2022</b>
HOA Signed (non-legally binding)	17	+1
HOA Pending Approval by Council	1	-1
Lease Documents Issued	16	0
Lease Documents Being Prepared	1	1
Leases Executed by Lessee	6	+1
Leases Pending Approval by Lessor (Council)	1	+1
Leases Executed by Lessor (Council)	5	0

In December 2021, Council endorsed entering into an AFL/lease with the preferred operator for the cinema complex within the Venue building. The exclusivity period is currently underway to allow Council to finalise the AFL/lease, tenant fit-out design, wider design of the Venue building, cost and value impacts. Council has conditioned its approval of the refurbishment of the Venue building upon the AFL being executed.

Hutchinson Builders have been engaged to undertake 100% design development with an associated contract sum to build. Design coordination is in week five of an eight week process to document the lessor's base build scope of works. Completion of design development is due in late May 2022 and following receipt of a price commitment from the builder, Council's approval for the associated contract variation will be sought.

As previously reported, the AFL for the Commonwealth Hotel was executed on 10 March 2022, a condition by Council for the approved hotel extension to progress to construction. At its 24 March 2022 Council approved the engagement of Hutchinson Builders to undertake 100% design development with an associated contract sum to build. Design coordination is in its second week to document lessor's base build scope of works with the design being progressed in partnership with Aushotels. Completion of design development is due in mid-June 2022 and following receipt of a price commitment from the builder, Council's approval for the associated contract variation will be sought.

Practical completion of the refurbishment works to the Eats building has been revised to 29 April 2022 with the CCTV cameras having been installed in mid-April. Works continue on Metro B and the streetscape works to both Nicholas Street/Union Place with practical completion now forecast to occur on 29 April 2022 (the PWD lift remains scheduled for installation by 31 May 2022).

The February 2022 rain event impacted the undercover car park with water damage to the Level 5 boom gate operating mechanisms. As a result, the car park was reopened with free

parking until the related repairs were completed. These repairs have now occurred with the car park returned to its normal operating mode.

To assist in establishing the brand into the future, **Nicholas Street Precinct** has now been registered as a business name under Ipswich City Council.

Due to the proximity of the May 2022 Ipswich Central Redevelopment Committee meeting to the end of the reporting month, the April 2022 Executive Report will be included with the June 2022 Ipswich Central Redevelopment Committee papers. Refer Attachment 1 for the March 2022 Executive Report.

### **LEGAL/POLICY BASIS**

This report and its recommendations are consistent with the following legislative provisions:  
*Local Government Act 2009*  
*Local Government Regulation 2012*

### **RISK MANAGEMENT IMPLICATIONS**

Challenges to retail leasing continue including but not limited to COVID-19 impacts, the pace of the retail market rebound, the securing of anchor and other tenants and the attractiveness of the offer from the lessor (Council) in the current market conditions.

The conversion of endorsed HOA's into legally binding AFLs/leases remains a critical outcome given the status of refurbishment works to the Eats and Metro B buildings.

The refurbishment of the Venue building is contingent on the execution of AFL with the prospective cinema operator.

### **HUMAN RIGHTS IMPLICATIONS**

HUMAN RIGHTS IMPACTS
RECEIVE AND NOTE REPORT
The recommendation states that the report be received, and the contents noted. The decision to receive and note the report does not limit human rights. Therefore, the decision is compatible with human rights.

### **FINANCIAL/RESOURCE IMPLICATIONS**

The retail precinct's short-term commercial success remains dependent on identifying, attracting and securing a commercially viable tenancy mix through executed leases. Commercial success in the medium to longer term will require a comprehensive and ongoing activation and management strategy to support tenants and deliver a revitalised and activated precinct.

### **COMMUNITY AND OTHER CONSULTATION**

The contents of this report did not require any community consultation.

## CONCLUSION

The process to secure tenants continues as does the conversion of HOA's into AFL's/leases. Achieving an executed lease for the cinema remains a critical focus given the upcoming opening of both the Eats and Metro B buildings.
