Vicki Lukritz

MEETINGS COORDINATION MANAGER

I concur with the recommendations contained in this report.

Sean Madigan

GENERAL MANAGER - INFRASTRUCTURE AND ENVIRONMENT

“Together, we proudly enhance the quality of life for our community”

EXISTING SITE CONDITIONS

TOTAL AREA : 1581m²

LFDA POLICY: MIN 2000m²

The Camira Leash Free Dog Area (LFDA) is currently 1581m² in size. The existing area however does not align with the recommended desired area of a minimum of 2000m².

According to the policy:

- Ideally, local level LFDA's should be located in parkland areas connected physically or via appropriate pathway connections to a broader linear open space network (not reducing or compromising the linear open space, waterway or environmental functions),
- In existing urban areas, Council may consider a reduced land area and will assess on a site by site basis, and
- In exceptional circumstances, Council may consider relaxations to setbacks subject to suitable mitigation measures and appropriate landscape treatment between LFDA's and environmentally sensitive areas.

Camira Recreation Park
70 Moss Street, Camira

Dog Park Options

OPTION 1 - SEPARATE THE EXISTING LFDA

TOTAL AREA : 1581m²

SMALL DOG AREA:

440m²

LFDA POLICY: MIN 500m²

LARGE DOG AREA:

1141m²

LFDA POLICY: MIN 2000m²

The intention of this option is to utilise the existing facility and create a separate small and large dog park. The newly created LFDA's however do not align with the recommended desired areas of 500m² and 2000m² for both a small and large LFDA respectively.

(Desired minimum of 2500m² for combined Small and Large Dog facility)
