ITEM: 2
SUBJECT: THE PERFORMING ARTS LANDSCAPE IN A COVID ENVIRONMENT
AUTHOR: MANAGER, COMMUNITY AND CULTURAL SERVICES
DATE: 16 SEPTEMBER 2020

EXECUTIVE SUMMARY

This is a report providing high level insight to the Ipswich performing arts and events landscape in a COVID environment, identifying the challenges currently faced in order to provide an entertainment program for the city at Council facilities.

RECOMMENDATION/S

That the report providing high level insight to the Ipswich performing arts landscape in a COVID environment be received and the contents noted.

RELATED PARTIES

There are no discernible conflicts of interest or related party implications associated with receiving and noting of this report.

ADVANCE IPSWICH THEME

Caring for the community

PURPOSE OF REPORT/BACKGROUND

The performing arts are an integral part of the Ipswich quality of life and contribute to both community and economic development.

Nationally, more than 26 million tickets are sold to live performance events annually, more than the total combined attendance of all of Australia's major sporting codes (Live Performance Australia – Ticket Attendance Report 2018).

The Ipswich Civic Centre and Studio 188 are the key host facilities for performing arts in the city and in an average (non-COVID) year these performing arts venues would deliver approximately 130 productions – see Table 1.

With the addition of the North Ipswich Reserve Corporate Centre and including corporate meetings and functions these three facilities would host around 580 events accommodating over 65,000 patrons and guests generating a total revenue of approximately \$1,800,000.

Table 1: Ipswich Civic Centre and Studio 188 Performance Data 2017-2018 to 2019-2020

| Description | 2017/18 | 2018/19 | 2019/20 * |
|-------------|---------|---------|-----------|
|-------------|---------|---------|-----------|

| | | | |
|--------------------------|-------------|-----------|-----------|
| Performances | 129 | 138 | 115~ |
| Tickets | 38,284 | 34,684 | 26,526 |
| Ticket Revenue | \$1,145,495 | \$958,448 | \$815,535 |
| Occupancy | 70.10% | 66.65% | 61.25% |
| Avg. Ticket Price | \$29.92 | \$27.63 | \$30.74 |

**Last performance for the financial year was 14/03/20*

~21 performances were scheduled between 16/03/20 and 30/06/20

The maximum seating capacity of the Ipswich Civic Centre is 763 people. Since July 2020 the COVID Safe Industry Plan has required a social distancing of 1.5 meters and 4 square metres per person which has restricted capacity to 104 people at any one time in the George Hogg Auditorium and 24 people in Studio 188.

This has impacted Council's ability to facilitate and secure viable performance productions as it is simply not feasible for most professional performers and performance organisations to rehearse, produce and tour productions. Border restrictions have compounded the issue by limiting the supply of available performers and performance organisations.

Council's Community and Cultural Services Branch has actively engaged with local performers and performance organisations to facilitate and promote Ipswich talent over this period.

As of mid-September the Queensland Government released Version 6 of COVID restrictions which has seen relaxations in capacity and seating plans.

From late September the seating capacity for the Ipswich Civic Centre and Studio 188 performances were adjusted to a maximum of 356 people and 49 people respectively.

A supplementary COVID Safe Industry Plan is required for banquets and events, however these restrictions remain unchanged as at the time of this report being submitted. Unless there is further relaxation in this space, this restriction will continue to limit revenue and employment opportunities at the Ipswich Civic Centre, Studio 188 and North Ipswich Reserve Corporate Centre.

NEXT STEPS

- A limited local and intra-state artist performance schedule through to March 2021
- Continue to schedule performances into 2021
- Checker Board seating plan to increase Ipswich Civic Centre capacity to 356
- End of year Dance School season more likely to proceed with relaxed restrictions
- Studio 188 prioritised as rehearsal space at discounted rates for local talent
- Increased competition for intra-state touring productions
- Slow recovery of conference and event market compounding revenue shortfalls

LEGAL/POLICY BASIS

This report and its recommendations are consistent with the following legislative provisions:

Not Applicable

RISK MANAGEMENT IMPLICATIONS

There are no risk management implications associated with the receiving and noting of this report.

Council's Community and Cultural Services Branch actively manages the community and liability risks associated with operating in a COVID environment through approved COVID Safe Industry Plans.

FINANCIAL/RESOURCE IMPLICATIONS

14 March 2020 to 30 June 2020

- Cancelled 61 performances¹ (15 on sale and 46 contracted)
- Postponed 18 performances
- Recorded \$560,000 in forecasted revenue as lost²
- Stood down 1 permanent and 25 casual staff on Special Pandemic Leave
- Redeployed 2 permanent staff within Council
- Retired 1 permanent staff without replacement

01 July 2020 to 30 June 2021 (as at September 2020)

- Cancelled 35 performances (10 on sale and 25 contracted)
- Postponed 2 performances
- Recorded \$600,000 in forecasted revenue as lost
- The majority of casual staff remain stood down
- All School Formals (except one) have relocated to BCEC or other larger venues
- Enquiries for events and meetings are minimal

COMMUNITY AND OTHER CONSULTATION

With the easing of restrictions in July, engagement and consultation with a number of local performers and dance schools was initiated in order to make available stage time for these groups and their presentations.

CONCLUSION

The Ipswich Civic Centre and Studio 188 intend to continue to support and work with local and regional performing artists by providing easy access to rehearsal and performance facilities and generating as much interest and attendance from patrons as possible.

Don Stewart

MANAGER, COMMUNITY AND CULTURAL SERVICES

I concur with the recommendations contained in this report.

¹ Includes commercial, community and school based productions

² Lost Revenue is defined as performances and events "on the books" at time of restrictions being put in place
