PURPOSE OF REPORT/BACKGROUND

The Young Performing Artist Bursary was established in 1994 and offers young Ipswich performing artists the opportunity to further develop their skills by providing financial assistance to attend workshops, and/or be involved in performances and competitions outside of the region.

Chai Jie Low has applied for a Young Performing Artist Bursary to assist with costs associated with participating in the 2019 International Forum for Flute and Piano in Luxembourg, Europe. The 10 day professional development opportunity, which will include master classes, instrumental performance and concert performance, will allow the applicant to develop pianistic skills and technique, performance experience and a practical learning approach to a large range of repertoire. The applicant will have the opportunity to study with world renowned Professor Daniel Blumenthal from the Royal Conservatory of Brussels, through daily piano lessons.

The Forum will also provide Chai Jie Low with valuable performance experience as a pianist and the opportunity to perform in concerts in Dierkirch, Luxembourg, including a concerto performance with a Chamber Orchestra (Estro Armonico).

The cost to the applicant to participate in the 2019 International Forum for Flute and Piano, is \$4,400.00, including forum registration fees, airfares, transport and accommodation.

The application has been assessed as eligible against the criteria outlined in Council's assessment criteria.

FINANCIAL/RESOURCE IMPLICATIONS

Funds of \$4,000.00 were allocated in the 2018-2019 Community Engagement Branch budget to support the Young Performing Artist Bursary. Maximum funding of up to \$500.00 per individual and \$700.00 for group applications can be allocated from a total annual budget allocation of \$4,000.00.

After Council approves the Bursary recommended in this report, funds of \$1,100.00 will remain available for allocation under the Young Performing Artist Bursary for the remainder of the 2018-2019 financial year.
