1.4 Policy Statement:

This funding program provides Council with an annual amount (subject to annual budget allocations) for the allocation of community donations to spend for community purposes to benefit Ipswich residents. With an emphasis on community development and social infrastructure this policy aims to build community capacity, encourage participation, and develop vibrant, engaged and more resilient local communities.

This policy ensures an equitable, open and transparent process which complies with relevant legislation for community organisations to seek financial assistance. The policy and associated Administrative Guidelines act as tools to ensure that decision-making around the provision of community donations is transparent, accountable and contributes to the Council's corporate objectives.

Council's funding for community donations cannot be:

- carried over for more than one financial year;
- utilised for administration support service for Councillors;
- used for land acquisitions without a supporting council resolution;
- used for any purposes contrary to the Corporate Plan, strategy, policy or adopted resolution; or
- used for purposes not consistent with the adopted eligibility criteria

1.5 Guiding Principles

The following principles provide a consistent approach to the administering of this policy and the delivery of Council's Community Donations Program:

- Funds may be provided in the form of monetary donations to support a community organisation's initiatives during the funding year or toward an approved capital project.
- Funds are distributed in an equitable and transparent manner that ensures good governance and adherence to the Local Government Act 2009 and the Local Government Regulation 2012.
