Part 1 Preliminary

1 Short title

This local law may be cited as Local Law No.1 (Administration) 2013.

1A Commencement

This local law commences on 1 August 2013.

2 Object

The object of this local law is to provide a legal framework for the administration, implementation and enforcement of the local government's local laws and subordinate local laws.

3 Definitions—the dictionary

The dictionary in the Schedule (Dictionary) defines particular words used in this local law.

4 Application of local law

- (1) This local law –
 - (a) is in addition to and does not derogate from, laws regulating land use planning and development assessment; and
 - (b) applies to each of the local government's local laws subject to any specific provision in a local law that expresses a contrary intention.
- (2) The powers of the local government contained in, or obligations imposed by, any other local law are in addition to the powers and obligations contained in this local law.

Part 2 Applications and approvals

5 Requirements of an application

- (1) An application for approval of a proposal must be made in the prescribed form.
- (2) The application must be accompanied by—
 - (a) the prescribed fee; and
 - (b) information, documents and materials required under the relevant local law or subordinate local law; and

- (c) in respect of any separate approval relating to the proposal that is required under another law –
 - (i) proof that the applicant holds any separate approval relating to the proposal; or
 - (ii) proof that an application has been made for any separate approval relating to the proposal and advice on the status of that application; or
 - (iii) advice on when an application for any separate approval relating to the proposal will be made.
- (3) The local government may waive the requirements of section 5(2) (Requirements of an application) of this local law—
 - (a) in an emergency; or
 - (b) if there are special reasons for dispensing with the requirement; or
 - (c) in the circumstances specified in a subordinate local law.

5A Request for further information

- (1) The local government may, by written notice, request the applicant to provide further information or clarification of information, documents or materials included in the application.
- (2) The notice under subsection (1) must state—
 - (a) the grounds on which the request is made; and
 - (b) an outline of the facts and circumstances forming the basis for the grounds; and
 - (c) a detailed description of the information requested; and
 - (d) the date, not less than 7 days after the applicant receives the notice, by which the applicant must provide the information.
- (3) If the applicant does not provide the further information by the stated date—
 - (a) the application lapses; and
 - (b) the local government must give the applicant written notice stating that—
 - (i) under this section the application lapses; and
 - (ii) the applicant may make a new application.

- (4) However, the local government may extend the period for the applicant to provide the further information.

5B Assessment of proposals

- (1) Before the local government decides an application, an authorised person may –
- (a) inspect any premises, vehicle, equipment, animal, plant or thing to be involved in the proposal; and
 - (b) measure, weigh, sample, test, photograph, videotape or otherwise examine anything that may be inspected.
- (2) An authorised person's powers under subsection (1) must be exercised in accordance with section 132 of the Act to the extent the authorised person needs to enter property.

6 Determination of an approval

- (1) If the local government has power under a local law to approve an application, the local government may by written notice to the applicant—
- (a) approve the application unconditionally; or
 - (b) approve the application subject to conditions; or
 - (c) refuse to approve the application.

Example –

If a proposal for which the local government's approval is required may result in damage to property, the local government may, as a condition of giving its approval, require the applicant to give reasonable security (which may include a deposit of money, a bank guarantee or an insurance bond) to ensure that damage is made good.

- (2) However the local government's powers are subject to the provisions of the local law and any relevant subordinate local law.
- (3) The local government must, in deciding how to exercise its power, have regard to any criteria stated in the relevant local law or subordinate local law.

6A Conditions of approval

- (1) An approval may be granted on conditions the local government considers appropriate.
- (2) However, the conditions must—

- (a) be reasonably necessary to ensure that the operation and management of the proposal will be adequate to protect public health, safety and amenity; and
 - (b) be consistent with the purpose of any relevant local law or subordinate local law; and
 - (c) require the approval holder to notify the local government in writing of a suspension or cancellation of a relevant approval for the proposal under an Act within 3 days of the relevant approval being suspended or cancelled.
- (3) Subject to subsection (2), the local government may, by subordinate local law, prescribe conditions that must be imposed on an approval or that will ordinarily be imposed on an approval.

7 Proposals requiring multiple approvals

- (1) If a proposal involves multiple approvals the local government must, if practicable, deal with the subjects on which its approval is required together.
- (2) If the local government decides that an application should be refused on a particular aspect of a proposal for which multiple approvals are required, it may refuse other applications required for the proposal even though other aspects of the proposal for which approval is required may be acceptable to the local government.

8 Certification of specified matters

- (1) A local law may provide that a specified matter is subject to certification by a person specified by the local government.
- (2) If a local law provides that a matter is subject to certification by a person specified by the local government, the local government may accept the certificate from a person with recognised qualifications in the relevant field as evidence that—
 - (a) a proposal complies with the requirements of the local law; or
 - (b) a proposal for which approval has been given by the local government has been carried out in accordance with the requirements of the local law.

9 Power to change the conditions of an approval or cancel or suspend approval

 - (b) prevent property damage or a loss of amenity; or
 - (c) prevent a nuisance; or

 - (e) to allow for works on roads or local government controlled areas; or
 - (f) to improve access to a road; or
 - (g) to improve the efficiency of vehicle or pedestrian traffic.
- (2) Section 9(1) (Power to change the conditions of an approval or cancel or suspend approval) of this local law does not limit the power a local government may have apart from this section to amend a condition of an approval.
