Appeal Summary: This is an applicant appeal against Council's decision to refuse a 'Minor Change' application for a combined approval for MCU for an Environmental Recycling Park (Soil Conditioner Manufacturing and Waste Disposal Facility).

The application was refused on the basis that:

- It failed to demonstrate that the proposed development is not in conflict with the Temporary Local Planning Instrument No.1 of 2018 (Waste Activity Regulation).
- It failed to demonstrate that there is a need to extend the life of the existing facility by increasing the landfill height from the approved RL75 to RL80. the proposed changes would result in a substantially different development to that which is currently permitted as they change the ability of the proposed development to operate as intended and introduce new impacts or increase the severity of known impacts including but not limited to visual and environmental nuisances.

Status: To be listed for review 14 days after the reasons for judgment are given by the court in appeal 473 of 2018.
