Tender Schedule S6 – Queensland Government Compliance Schedule

Queensland Government

Queensland Government Code of Practice for the Building and Construction Industry (Queensland Code)

C7810.S6

Contract Number:

CN-18313

Fulfilling the requirements in this Compliance Schedule does not automatically mean a party has complied with the Queensland Codes, whereas a failure to fulfil a requirement in this Compliance Schedule is, prima facie, considered to be acting inconsistently with the Queensland Codes.

Compliance schedule

Primary acknowledgments and undertakings

- 1.1 By completing this Compliance Schedule and submitting an expression of interest or tender response, the Tenderer:
 - a. acknowledges that the Queensland Government's *Code of Practice for the Building and Construction Industry* (Queensland Code) applies to the project the subject of this Tender
 - b. undertakes that it, and its related entities, will comply with the Queensland Code on:
 - i. the project the subject of this Tender
 - ii. any privately and publicly funded building and construction work to which the Queensland Code applies, on and from the date of submitting this expression of interest or tender response (if not already required to comply on such privately and publicly funded projects)
 - c. confirms that it and its related entities have complied with:
 - i. the Queensland Code on all its other projects to which the Queensland Code applies or has been applied
 - ii. all applicable legislation, Court and Tribunal orders, directions and decisions, and industrial instruments
 - d. confirm that, where it and its related entities are, or have been, required to comply with the (federal) *Building Code* (Building Code) as amended from time to time, they have done so
 - e. confirm that neither it, nor any of its related entities, are subject to a sanction or other circumstance that would preclude the Tenderer from submitting an expression of interest or tender response, or, if successful, being awarded the Tender.

Sanctions for non-compliance
